SIZE CHARTS

|           | S/M            | L/XL         |
|-----------|----------------|--------------|
| Hat Size  | 6 7/8- 7 1/4   | 7 3/8- 7 3/4 |
| Head Size | 21 5/8- 22 3/4 | 23- 24 1/4   |

HOW TO MEASURE

HATS

Measure the circumference around the head, above the eyebrow and at the widest part of the head. Divide number by 3.14 for hat size.

COLORS

Please note: The PMS color code shown is the closest available match. If no PMS code is displayed, there is no match for that color.

|                                                                                    |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                       |                                                                                       |
